Detailed Action

Response to Amendment

- The reply filed on December 29, 2005 was applied to the following effect: Claims 1,3,7,8,10,12,14,16, and 17 are amended, and Claims 19-22 are added.

Claim Rejections - 35 USC § 102

1. All relevant rejections have been withdrawn as being satisfied.

Reasons for Allowance

2. Claims 1-22 are allowed.
3. The following is an examiner's statement of reasons for allowance:

This application is for an optical disk clamping device.

- **Claims 1 and 10** specifies an optical disk clamping device, which requires:

"...the repellent magnetic force pushing the magnetic member toward the clamping member to fix the optical disk, and the repellent magnetic force ceases when the turntable stops rotating."

These features, in combination with the other features of Claims 1 and 10, are not anticipated by, nor made obvious over, the prior art of record.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
